PROFESSIONAL SUMMARY

Dedicated Educator with 6+ years of experience designing engaging curricula and fostering inclusive classroom environments for diverse student populations. Skilled in differentiated instruction, student mentorship, and data-driven assessment. Passionate about lifelong learning, collaboration, and helping every student reach their full potential.

PROFESSIONAL EXPERIENCE

Lead Teacher, Mathematics — Brightwave High School

San Francisco, CA | Jan 2022 – Present

- Led a team of 5 teachers in redesigning the algebra curriculum, raising standardized test scores by 42% and student pass rates by 8%.
- Piloted a project-based learning model, transitioning from lecture-based to inquiry-driven instruction across the department.
- Mentored 4 first-year teachers, establishing a peer observation framework that improved classroom management outcomes by 30%.
- Collaborated with school leadership and counselors to launch 3 new enrichment programs serving over 500 students annually.

Middle School Teacher — NovaGrid Academy

Oakland, CA | Jun 2019 – Dec 2021

- Designed and delivered daily lesson plans for 5 sections of 6th-8th grade science, serving over 120 students per term.
- Implemented a formative assessment system that increased average student proficiency scores from 55% to 90%.
- Introduced small-group tutoring sessions, reducing failing grades among struggling students by 35%.
- Partnered with the special education team to adapt lesson materials, improving IEP goal attainment by 20%.

Student Teacher — PixelCraft Elementary

Berkeley, CA | Jul 2017 – May 2019

- Co-developed engaging, hands-on lesson plans for 4th grade classrooms in reading and mathematics.
- Collaborated with mentor teachers to create differentiated materials supporting varied learning styles.
- Supported classroom management and behavioral interventions for a class of 28 students.
